Comparative material

***Apticheilichthys websteri* (Huber, 2007):** MNHN 2003-0862, 32 (2 specimens c&s), 18.4-26.0 mm SL; Gabon, Ogooué Maritime Province, Rabi, above metallic bridge, 30km south to the Rabi airport, Iguela Lagoon system, Echira River drainage, station E1, about sea level, 02°07'40.8"S 9°50'45.6"E, Lavoué, Mamonekene, Pauwels, 10 July 2002; MNHN 2007-1652, holotype, 29.6 mm SL; Gabon: Ogooué Maritime Province: Akaka camp in the confluence between Rembo Ngowe and Rembo Echira river drainages, Iguela Lagoon system, about sea level, 02°14'S 9°40'E, K. Webster, 26 Dec 2004; MNHN 2007-1653, 5 paratypes, 17.7-25.9 mm SL. collected with holotype; MNHN 2003-0864, 7 (1 c&s), 16.1-23.5 mm SL; Rabi, close to the bridge of the water pumping station R3, Rabi river drainage, 01°53'49.2"S 9°51'10.8"E, Lavoué, Mamonekene, Pauwels, 11 Jul 2002; MNHN 2003-0863, 1, 18.3 mm SL, Rabi, in the road between Rabi 146 and Rabi 123, station number 10, Rabi river drainage, 01°55'33.6"S 9°51'43.2"E, Lavoué, Mamonekene, Pauwels, 17 July 2002.

***Aplocheilichthys spilauchen* (Duméril, 1861):** UFRJ 4150, 2, Senegal, Soungrougrou River, Marsassoum, Thys van den Audenaerde, 01 February 1996; UFRJ 4151, 2 specimens (c&s), Senegal, Soungrougrou River, Marsassoum, Thys van den Audenaerde, 01 February 1996; MRAC143378-387, 9, Rio Ruma, près du pont, route vers Conception, Fernando Poo, Thys Van den Audenaerde, 14 December 1964; MRAC 93-134-P-0153-013, 11, Mandorove, bassin Ogooué, Gabon, M. Levy, 01-30 September 1993; MRAC 73-39-P-2168-179, 12, Mouth of Rio Mirupururu, N.W. Fernando Poo, J.J. Scheel, 10 January 1969; A1-021-P-001-004, 4, Rivière Lukundjé, 1er affluent de la Kribi près du pont au confluent Lukumdjé-Kribi, Cameroun, 15 October 2000; MRAC 73-08-P-135-138, 4, Lagune Ébrie, Côte d'Ivoire, J.J. Van Mol, 1968.

***Hylopanchax leki* Van der Zee, Sonnenberg & Schliewen, 2013:** ZMS 40764, holotype (ct-scanned specimen), Democratic Republic of Congo, Province Bandundu, stream at Lompolé and Yaka, Schliewen, 28-29 July 2002; ZMS 40765, 9 paratypes, same collection data as holotype.

***Hylopanchax moke* Van der Zee, Sonnenberg & Schliewen, 2013:** MRAC 102524–102532, 9 specimens, Democratic Republic of the Congo, Lotende swampy forest, Bikoro, Liombo, Malier, 6 October 1955; MRAC 102533, 1 specimen (c&s), Democratic Republic of the Congo, Lotende swampy forest, Bikoro, Liombo, Malier, 6 October 1955; MRAC 72546–72547, 2 specimens, Democratic Republic of the Congo, Flandria stream, Houstaert, 8 April 1948; MRAC 72548, 1 specimen (c&s), Democratic Republic of the Congo, Flandria stream, Houstaert, 8 April 1948.

***Hylopanchax ndeko* Van der Zee, Sonnenberg & Schliewen, 2013:** ZSM 29745, holotype (ct-scanned specimen), Democratic Republic of the Congo, Bandundu Province, Salonga National Park, Lokoro River drainage, Lui Kotale, Schliewen, 23-27 August 2002; ZSM 29766, 9 paratypes, same collection data as holotype.

***Hylopanchax paucisquamatus* Sonnenberg, Friel & Van der Zee, 2014:** CUMV 97967, holotype (ct-scanned specimen), Republic of the Congo, Cuvette-Ouest Province, Mbomo District, Odzala-Kokoua National Park, Likouala River drainage, small forest stream along trail to Lokoué saline, Friel, Lavoué & Sullivan, 29 August 2002; CUMV 87662, 3 paratypes, same collection data as holotype.

***Hylopanchax silvestris* (Poll & Lambert, 1958):** MRAC 124004, holotype, Democratic Republic of the Congo, Yangambi, Lusambila River, Hulot, 8 August 1948; MRAC 176139–176159, 21 specimens, Democratic Republic of the Congo, Boende, Tshuapa River, Lootens, 1 January 1967; MRAC 136535–136546, 12 specimens, Democratic Republic of the Congo, route Yangambi, Yoli River, Gosse, 25 August 1954; MRAC 136547–136548, 2 specimens (c&s), Democratic Republic of the Congo, route Yangambi, Yoli River, Gosse, 25 August 1954; MRAC 1979-06-P-408–448, 41 specimens, Democratic Republic of the Congo, PK 27 Stanleyville-Banalia, Lambert, 5 May 1958; MRAC 1973-23-P-14450–14635, 186 specimens, Democratic Republic of the Congo, Boende, Tshuapa River, Philippe, September 1956; MRAC 1973-23-P-14636–14645, 10 specimens (c&s), Democratic Republic of the Congo, Boende, Tshuapa River, Philippe, September 1956.

***Hylopanchax stictopleuron* (Fowler, 1949):** ANSP 71911, holotype, French Equatorial Africa (now Republic of the Congo), Congo River basin, Oka, Carpenter African Expedition, 24 January 1948; ANSP 71912–71919, 8 paratypes, collected with the holotype (studied by pictures and X-rays). MNHN 1981–1412, 7 specimens, Republic of the Congo, 23km from Debrouille, small slow flowing stream inside forest, Huber, 1978; MNHN 1981-1411, 5 specimens, Republic of the Congo, small slow flowing stream on the road to Ouesso, about 200m before the Ignoli village and 13km south to Debrouille, Huber, 1978; MNHN 1981-1410, 12 specimens, Republic of the Congo, slow flowing clear water stream inside forest about 20km east of Etoumbi towards Makoua, Huber, 1978; MNHN 1981-1408, 41 specimens (2 specimens, c&s), Republic of the Congo, slow flowing clear water stream near Olombo, west route towards Komo, Huber, 1978; UFRJ 3875, 1 specimen, Central Africa, aquarium material; UFRJ 4106, 1 specimen (c&s), Central Africa, aquarium material.

***Hylopanchax* aff. *ndeko* "Bena Tshadi":** MRAC 1976-001-P-0559–0572, Democratic Republic of the Congo, Kasai Occidental, Bena Tshadi, Likibu (Kalabukua), Robertson, 1 April 1975; MRAC 1976-001-P-0573–0574, 2 specimens (c&s), Democratic Republic of the Congo, Kasai Occidental, Bena Tshadi, Likibu (Kalabukua), Robertson, 11 April 1975.

***Hylopanchax* sp. "Cameroon":** ZSM 30173, Cameroon, East Province, small stream close to village Ngato on road Mambele–Yokadouma, Schliewen, 11 July 1999; ZSM 30175, Cameroon, East Province, Sangha drainage, tributary to River Lobeke, stream Djalumbe above and at Djalumbe–“Savanah”, Schliewen, 17–19 July 1999; ZSM 30014, Cameroon, East Province, Sangha drainage, at camp site close to Djalumbe–“Savanah”, small affluent of River Djalumbe, Schliewen, 17–18 July 1999.

***Hypsopanchax catenatus* (Radda, 1981):** MRAC 80-54-P-1504–1522, 19 paratypes, Gabon, 61km from Franceville to Boumango, Pürzl & Hofmann, 29 June 1980; MRAC 80-54-P-1524–1526, 3 paratypes (c&s), Gabon, 61km from Franceville to Boumango, Pürzl & Hofmann, 29 June 1980; MRAC 80-54-P-1252–1259, 8 specimens, Gabon, 61km from Franceville to Boumango, Pürzl & Hofmann, 29 June 1980.

***Hypsopanchax zebra* (Pellegrin, 1929):** MRAC 78-22-P-1187–1208, 22 specimens, Republic of the Congo, road Mossendjo-Gnimi, towards Komolo, 5km from the bridge over the Mpoukou River, 03°11' S, 13°07' E, Wachtters, 19 July 1978; MRAC 78-22-P-1216–1281, 66 specimens, Republic of the Congo, Ogouée River basin, road Zanaga-Voula II, Ekouma stream, 02°46' S, 13°50' E, Wachtters, 23 July 1978; MRAC 78-22-P-1282–1287, 6 specimens (c&s), Republic of

the Congo, Ogouée River basin, road Zanaga-Voula II, Ekouma stream, 02°46' S, 13°50' E, Wachters, 23 July 1978; UFRJ 11480, 2; Gabon.

Hypsopanchax aff. zebra: MRAC 125278-285, 8; MRAC 125286-87, 2 (c&s), Republic of Congo, Brusseaux, sur le Congo-Océan, tête de riv. Fulakari, P. Brichard, 1–30 September 1958; UFRJ 10877, 2, Mpassa, Republic of Congo.

***Hypsopanchax modestus* (Pappenheim & Boulenger, 1914)**: MRAC B1-011-P-0153–0195, 43 specimens, Democratic Republic of the Congo, Ituri River basin, Vreven, Balimwangu & Mambo, 26 January 2011; MRAC B1-011-P-0196–0200, 5 specimens (c&s), Democratic Republic of the Congo, Ituri River basin, Vreven, Balimwangu & Mambo, 26 January 2011; MRAC 91-50-P-2–11, 10 specimens, Uganda, Rwimi River, road between Fort Portal-Kasese, Wildekamp, June 1988; MRAC 91-50-P-12–13, 2 specimens (c&s), Uganda, Rwimi River, road between Fort Portal-Kasese, Wildekamp, June 1988; MRAC 64314–64414, 101 specimens, Democratic Republic of the Congo, Rutshuru, de Witte, 2–4 January 1934.

***Hypsopanchax platysternus* (Nichols & Griscom, 1917)**: MRAC 87-42-P-1519–1555, 37 specimens, Democratic Republic of the Congo, Mabulubu River, de Vos, 10 July 1987; MRAC 87-42-P-1556–1559, 4 specimens, Democratic Republic of the Congo, Mabulubu River, de Vos, 10 July 1987; MRAC 89-43-P-837–869, 33 specimens, Democratic Republic of the Congo, 329 km from Kisangani to Bakairi, Kampi River, de Vos, 8 July 1987; MRAC 89-43-P-869–872, 4 specimens (c&s), Democratic Republic of the Congo, 329km from Kisangani to Bakairi, Kampi River, de Vos, 8 July 1987.

***Lacustricola jobaerti* Poll & Lambert, 1965**: MRAC 142660–142670, 11 specimens, Democratic Republic of the Congo, Kasai, Lula, Bushimaie River, 07°20' S, 23°08' E, Poll, August 1956; MRAC 142671–142686, 16 specimens, Democratic Republic of the Congo, Kasai, Lula, Luisa, 07°20' S, 23°08' E, Poll, August 1956; MRAC 142685–142686, 2 specimens (c&s), Democratic Republic of the Congo, Kasai, Lula, Luisa, 07°20' S, 23°08' E, Poll, August 1956.

***Lacustricola jubbi* Poll & Lambert, 1965**: MRAC 142137–142272, 136 specimens, Democratic Republic of the Congo, Kasai, Lula, Lula River, 07°20' S, 23°08' E, Poll, 18 August 1956; MRAC 142173–142280, 8 specimens (c&s), Democratic Republic of the Congo, Kasai, Lula, Lula River, 07°20' S, 23°08' E, Poll, 18 August 1956; MRAC 142393–142436, 44 specimens, Democratic Republic of the Congo, Kasai, Lula, Bushimaie River, 07°20' S, 23°08' E, Poll, August 1956.

***Lacustricola johnstoni* (Günther, 1893)**: UFRJ 3295, 11 specimens, Zambia, Zambezi River basin, Kafue River, Bailey et al., 20 October 1970; UFRJ 3296, 4 specimens (c&s), Zambia, Zambezi River basin, Kafue River, Bailey et al., 20 October 1970; MRAC 149543-581, 39 specimens, Democratic Republic of the Congo, Katanga, Lubumbashi River, affluent of Kafubu River, Lips, 1 September 1962; MRAC 149543-581, 3 specimens (c&s), Democratic Republic of the Congo, Katanga, Lubumbashi River, affluent of the Kafubu River, Lips, 1 September 1962; MRAC 187804–970, 167 specimens, Zimbabwe, Chambezi River, Matthes, 16 June 1965; MRAC 187971–978, 8 specimens (c&s), Zimbabwe, Chambezi River, Matthes, 16 June 1965.

Lacustricola katangae (Boulenger, 1912): MRAC 149924–960, 40, Democratic Republic of the Congo, Katanga, Kimilolo River, Lips, 01 April 1963; MRAC 149961–963, 3 specimens c&s, Democratic Republic of the Congo, Katanga, Kimilolo River, Lips, 01 April 1963.

Lacustricola pumilus (Boulenger, 1906): MRAC B2-014-P-001–0058, 59 specimens, Democratic Republic of the Congo, Kianvubu swamp, around Kavimvira, about 3km from Lake Tanganyika, 03°20' S, 29°10' E, Lushombo, 7 June 2012; MRAC B2-014-P-0059–0063, 5 specimens (c&s); Democratic Republic of the Congo, Kianvubu swamp, around Kavimvira, about 3km from Lake Tanganyika, 03°20' S, 29°10' E, Lushombo, 7 June 2012.

Lacustricola bukobanus (Ahl, 1924): MRAC A0-064-P-0271–0291, 21, Uganda, swampy area 3km North of Kalisizo, 25km S of Masaka on Masaka-Mutukula road, 0°30'53" S, 31°37'48" E, Wildekamp, 15 June 1999; MRAC 64287–64297, 11 specimens, Democratic Republic of the Congo, Molindi River, near Kirumba and Lake Kibuga, de Witte, 16 April 1934; MRAC 64298–64299, 2 specimens (c&s), Democratic Republic of the Congo, Molindi River, near Kirumba and Lake Kibuga, de Witte, 16 April 1934; MRAC 77-16-P-46–57, 12 specimens, Tanzania, clay pits of a swamp along Lake Victoria at Bukopa, Wildekamp et al., 1 January 1976; MRAC 77-16-P-58–59, 2 specimens (c&s), Tanzania, clay pits of a swamp along Lake Victoria at Bukopa, Wildekamp et al., 1 January 1976.

Lacustricola maculatus (Klausewitz, 1957): UFRJ 11337, 6 specimens, Tanzania, Rufiji River, Pawani, Costa et al., 14 January 2009; UFRJ 10910, 2 specimens (c&s), Tanzania, Rufiji River, Pawani, Costa et al., 14 January 2009; UFRJ 7899, 4 specimens, Tanzania, Ruvu River, near Mlaridizi, Costa et al., 13 January 2009; UFRJ 7900, 2 specimens (c&s), Tanzania, Ruvu River, near Mlaridizi, Costa et al., 13 January 2009; UFRJ 7896, 13 specimens, Tanzania, Mbezi River, between Mukuranga and Binga, Pawani, Costa et al., 10 January 2009; UFRJ 10911, 1 specimen (c&s), Tanzania, Mbezi River, between Mukuranga and Binga, Pawani, Costa et al., 10 January 2009; UFRJ 7891, 10 specimens, Tanzania, Ruvu River, near Bagamoyo, Pawani, Costa et al., 9 January 2009; UFRJ 7893, 3 specimens (c&s), Tanzania, Ruvu River, near Bagamoyo, Pawani, Costa et al., 9 January 2009; UFRJ 10912, 4 specimens (c&s), Tanzania, Ruvu River, near Bagamoyo, Pawani, Costa et al., 9 January 2009.

Lacustricola usanguensis: MRAC 77016.0066-078, 13, kleine poel bij Ilongo, Usangi vlakte, 45km O van Mbeya, Tanzania, J. Pap, 03 June 1976; MRAC 77016.0079-0108, 30, kleine poel bij Ilongo, Usangi vlakte, 45km O van Mbeya, Tanzania, J. Pap, 03 June 1976.

Lacustricola lualabaensis: MRAC P.70888-70893, 6, Kabelwe, Democratic republic of Congo, M. Poll, 24 June 1947; MRAC 4992-4994, 3 (paratypes), Maka, Lac Sangwa, Democratic Republic of Congo, P. Brien, 11 July 1937; MRAC 791-P-4856-863, 8, Mabwe rive est du Lac Upemba, G.F. de Witte, 17-20 December 1948; MRAC 78-019-P-0128-0140, 13, MRAC 78-019-P-141-142, 2 (c&s), Kibombo, fl. Lualaba, J. Lambert, 19 May 1957; MRAC 79-001-P-4821-4823, 3 (c&s), Mbewe, Democratic Republic of Congo.

Lamprichthys tanganicanus (Boulenger, 1898): UFRJ 4170, 2 specimens, Zambia, Mpulungu Jetty, Lake Tanganyika, Matther, 16 February 1966; UFRJ 4149, 2 specimens (c&s), Zambia, Mpulungu Jetty, Lake Tanganyika, Matthes, 16 February 1966; MRAC 95-096-P-1499-1506, 8, Kala Bay, Lake Tanganyika, Tanzania, Exp. Tanganyika, 19 April 1995; MRAC 95-096-P-1482-1498, 17, Ninde, Lake Tanganyika, Tanzania, Exp. Tanganyika, 14 April 1995; MRAC 95-096-P-1410-1420, 11, Isanga bay, Lake Tanganyika, Exp. Tanganyika 95, 05 April, 1995.

***Micropanchax fuelleborni* (Ahl, 1924):** MRAC 79-07-P-267–284, 18 specimens, Tanzania, swampy pool near Usambara, Wildekamp, 07 July 1978; MRAC 79-07-P-285–286, 2 specimens (c&s), Tanzania, swampy pool near Usambara, Wildekamp, 07 July 1978; MRAC 94-034-P-1157–1188, 35 specimens, Tanzania, Utohe River at Uruwira, northern Lake Rukwa drainage, Seegers, 26 July 1992; MRAC 94-034-P-1189–1191, 3 specimens (c&s), Tanzania, Utohe River at Uruwira, northern Lake Rukwa drainage, Seegers, 26 July 1992; MRAC 79-07-P-267-286, 20, Rest poel bij bruganderweg Usagara naar Kikongo ferry, Mwanza, Tanzania, R. Wildekamp, 07 July 1978; MRAC 79-07-P-236-266, 31, Pool on the road between Musama and Mwanza, Tanzania, R. Wildekamp, 06 July 1978; MRAC 79-07-P-300-332, 33, Swamp met open poelen langs Wembere river langs de Weg Nzega-Singida, Tanzania, R. Wildekamp, 09 July 1978.

***Micropanchax pfaffi* (Daget, 1954):** MRAC 144389–434, 46 (4 c&s), Burkina Faso, Volta River, Roman, 10 October 1964; MRAC 144389-430, 42 specimens, Burkina Faso, Pabré dam, White Volta River basin, north of Ouagadougou, Roman, 10 October 1964; MRAC 144431–434, 4 specimens (c&s), Burkina Faso, Pabré dam, White Volta River basin, north of Ouagadougou, Roman, 10 October 1964; MNHN 2000-0588, 4, Mali, Paugy, 1991; MNHN 1960-422, 34 (syntypes), Kokry, canal regulateur, Niger, 20 October, 1949.

***Micropanchax kingii* (Boulenger, 1913):** MRAC 79-09-P-792–807, 16 specimens, Tchad, Chari, PK15 route Fort Lamy-Massenye, Lambert, 7 November 1960; MRAC 79-09-P-808–809, 2 specimens (c&s), Tchad, Chari, PK15 route Fort Lamy-Massenye, Lambert, 7 November 1960; MNHN 1959-352, 10, Taf-Taf a Nganoutir, Tchad, Blanche et Stauch, 2 June 1955.

***Micropanchax vitschumbaensis* (Ahl, 1924):** MRAC 65420–432, 13 specimens, Democratic Republic of the Congo, Kamande, Lake Edward, Damas, 20 November 1935; MRAC 65433, 1 specimen (c&s), Democratic Republic of the Congo, Kamande, Lake Edward, Damas, 20 November 1935; MRAC 65471–65547, 77 specimens, Democratic Republic of the Congo, Semliki River, Ishango, Damas, 9 June 1935; MRAC 65548–6555, 7 specimens (c&s), Democratic Republic of the Congo, Semliki River, Ishango, Damas, 9 June 1935; MRAC 90-46-P-143-161, 17, Kazinga channel near bridge, road from Kasese to Mbarara, Uganda, R. Wildekamp, 14 June 1990.

***Micropanchax kassenjiensis*:** MRAC 93-159-P-0050-0057, 8, Lake Albert, swampy area before Butiaba, Uganda, R. Wildekamp, 13 June 1988; MRAC 90-46-P-139-142, 4, Butiaba harbour, Lake Albert, Uganda, R. Wildekamp, 12 June 1990; MRAC 90-46-P-104-138, 35, Victoria Nile river, near Paraa ferry, Uganda, R. Wildekamp, 11 June 1990.

***Micropanchax pelagicus* (Worthington, 1932):** IRSNB 12553, 1097 specimens, (4 c&s), Democratic Republic of the Congo, Nord-Kivu, Semliki River, about 500m from Lake Edward, Miss. d'Explor. des Lacs K.E.A, 28 March 1953; MRAC 142810-814, 5, Lake Edward, A. Capolt, 1951.

***Micropanchax loati*:** BMNH 1984.9.27.300-310, 11, Atem River, Jonglei province, Southern Sudan swamps, subsystem of White Nile, Sudan, R. Bailey, 1984; BMNH 1948.1.14.172-186, 15, Sudan, Panantim, 1948; ZMH 13186, 2, Nil bei Kairo, Agypten, Bannwarth.

***Micropanchax jeanneli*:** MNHN 1933-112, 5, Delta de l'Omo, Sudan, Mission de L'Omo, 1933.

'Poropanchax' normani (Ahl, 1928): MNHN 1965-0700, 106 specimens, Tchad, Lake Tchad, Stauch, 31 March 1962; MNHN 1987-1429, 24 specimens (2 c&s), Guinea, affluent of Kolente, road Kolente-Madina-Oula, Lévêque, 9 February 1986; MRAC 79-09-P-817–826, 10 specimens, Tchad, Bahr-Sara, Lambert, 11 November 1960; MRAC 92-059-P-2039–2161, 126 specimens, Guinea, Ndyarendi, Kogon River, Teugels et al., 09 April 1992; MRAC 92-059-P-2162–2164, 3 specimens (c&s), Guinea, Ndyarendi, Kogon River, Teugels et al., 09 April 1992; UFRJ 3882, 24 specimens, Guinea, Koumba River; UFRJ 8136, 2 specimens (c&s), Guinea, Koumba River; UFRJ 10907, 8 specimens, aquarium material.

***Poropanchax macrophthalmus* (Meinkein, 1932):** MRAC 88-35-P-300–318, 19 specimens, Nigeria, Chokocho, Otamiri River, Powell, 26 January 1988; MRAC 88-35-P-319–321, 3 specimens (c&s), Nigeria, Chokocho, Otamiri River, Powell, 26 January 1988; MRAC 90-19-P-320–413, 94 specimens, Nigeria, Port Harcourt, Powell, 30 May 1986; MRAC 90-19-P-414–417, 4 specimens (4 c&s) Nigeria, Port Harcourt, Powell, 30 May 1986; MRAC 73-39-P-2001-020, 19, aquarium, 1964-65; MRAC 73-39-P-1983-995, 16, Ijebu, S.W.
